Bike To Work Day was held on May 14, 2015. The BPAC energizer station was located at the northwest corner of the intersection of Foothill Expressway and Main. BPAC had two tables with refreshments, fruit, cake, musette bags, and handouts. BPAC also collected data on the number of cyclists traveling on Foothill Expressway.

**DISCUSSION**

The bike count started at 6:00 A.M. and ended approximately at 9:30 A.M. The total numbers of riders passing by the BPAC energizer station was 424 (233 Northbound, 191 Southbound). Of those, 48 stopped at the Los Altos BPAC table. This information has been forwarded to the Silicon Valley Bicycle Coalition. There were a total of 95 more riders passing the BPAC energizer station than 2014.

Mayor Pepper and Mayor Pro-Tem Bruins, Officers Kelli Janda and Darren Michalek from the Los Altos Police Department attended the BPAC energizer station, and greeted those that stopped for refreshments.
